3.2 Any Statement of Work annexed to a duly executed Order Form shall be deemed to form a binding, essential element of that Order Form. The parties may, by agreement in writing, agree to amend or replace any previously agreed Statement of Work at any time.

3.3 virtualDCS shall use all reasonable endeavours to complete the Professional Services within the estimated time frames set out in the Statement of Work (if any) but time shall not be of the essence in the performance of any of these Services.

4. CUSTOMER'S OBLIGATIONS

4.1 To enable virtualDCS to perform its obligations under any Agreement the Customer shall:

4.1.1 cooperate to the fullest extent with virtualDCS and procure cooperation with virtualDCS by any employee or contractor of the Customer and/or any other supplier of the Customer in each case as requested by virtualDCS;

4.1.4 comply with such other requirements as may be set out in the Statement of Work or otherwise agreed between the parties.

- 4.2 The Customer hereby covenants, warrants and represents that:
- 4.2.1 the computer hardware and software used by it (of whatever nature whether proprietary, licensed to it or developed by it and including any hardware and/or software connecting elements of the same between themselves or any element of the same with the outside world (the “**Customer System**”)) is:
- 4.2.1.1 run and administered in accordance with generally accepted standards of professional competence and in such a way as to enable it to fulfil its intended functionality; and
- 4.2.1.2 fully licensed and authorised for use by the Customer in all respects (including but not limited to there being adequate licence in place for the use of any and all software used howsoever by the Customer); and
- 4.2.1.3 operated in accordance with any and all legal obligations incumbent upon the Customer (including but not limited to the Data Protection Act 1998); and
- 4.2.1.4 not used for any illegal, immoral or improper purpose or in such a way as to give rise to any claim or liability (civil, criminal or otherwise and of any nature) against the Customer and/or any member of the Customer’s staff and/or any contractor of the Customer;
- 4.2.2 the Performances of the Consultancy Services by virtualDCS will not place the Customer in breach of any agreement or duty of whatever nature in relation to the Customer System or otherwise (including but not limited to any warranty or maintenance agreement) and will not give rise to any liability of virtualDCS to any third party of any nature and howsoever arising.
- 4.3 The Customer shall be liable to indemnify and keep indemnified virtualDCS for any loss, costs, damage, expenses or prejudice, direct or indirect and of any nature, incurred by virtualDCS in any way out of or as a result of any element of misrepresentation in or the Customer’s failure to comply with Clause 4.1 and/or 4.2.
- 4.4 The Customer shall have no right or entitlement to cancel any element of the Consultancy Services. For the avoidance of doubt, the Customer’s failure to comply with any obligations under clause 4.1 shall be deemed to be a cancellation of the services and subject to the payment of the damages set out in this clause.
- 4.5 In the event that the Customer or any third party, not being a sub-contractor of virtualDCS, shall omit or commit anything which prevents or delays virtualDCS from undertaking or complying with any of its obligations under this Agreement, then without prejudice to any right of virtualDCS to terminate this Agreement and/or to claim for damages virtualDCS shall notify the Customer as soon as possible and:
